VISION Joyful Communities

ABOUT Alimentando al Pueblo is a
Burien based nonprofit founded in
2020 during the COVID-19 pandemic
as a Community and Cultural building
organization. Our programs are rooted
in a power sharing model with a goal
to develop leadership within our
Community.

Together, we source and distribute
cultural foods, organize celebrations
that promote social connections and
healing, and center Latinx art and
traditions in every aspect of our work
to cultivate joy, pride, and cultural
preservation.
